

Steve Backshalls Deadly series: Deadly Factbook 4: Fish, Squid and Jellyfish

Did you know that catfish have more than 100,000 taste buds on their body? Or that a bull shark has an even stronger bite than a Great White? Follow in the footsteps of the Deadly team and discover the secrets of the animal kingdom as they reveal fascinating facts and killer statistics in their guide to fish, squid and jellyfish. This is the fourth Deadly factbook. Illustrated throughout with full colour photographs and art.
