

## Destiny and Stardust (Pony Club Secrets)

Summer special chunky read 2-in-1 edition of the third and fourth books in the Pony Club Secrets series: *Destiny and the Wild Horses* and *Stardust and the Daredevil Ponies*. *Destiny and the Wild Horses*: Issie and Blaze were hot favourites to win the Chevalier Point Pony Club dressage competition, but now they have to spend the summer on her aunts farm instead! When Issie finds out Blaze can go with her and she'll be helping to train horses for the movies things start to look up. During her stay Issie overhears plans to cull a group of wild ponies, and she is determined to find a way to save them, especially the beautiful stallion Destiny, who bears a striking resemblance to her aunts favourite stallion, Avignon. *Stardust and the Daredevil Ponies*: Issie has landed her dream job handling horses on a real film set! And with a group of frisky palominos to deal with, Issie asks her friends at pony club to help out too. But it's not just the horses who play up on set what is spoiled actress Angelique's problem? And could this be Issie's chance for stardom?
