

Some people say the first step to starting a successful business is to have a clearly defined vision. For others it may be a revolutionary product that solves a need. Hundreds of books have flooded the network marketing profession, all claiming to share that certain nugget of truth that is supposed to deliver your goals and dreams. So why read this one? The DNA of Business for Network Marketing offers proven concepts that will explain why you are working too hard and thinking too much. That said, this is not a fix-it audiobook; it's a live-it audiobook. Each element - dream, belief, urgency, activity, improvement, and results - as defined by the DNA-b model will be explained. You will come to quickly understand that modifying your business DNA will drive you to achieve the lifestyle you are looking for. It is truly within your grasp - and under your control.

Shadow of Dante: Being an Essay Towards Studying Himself, His World and His Pilgrimage, The Physics of Semiconductors, Mute Vol II #4 - Web 2.0, In Search of the Beautiful Voice, The Shale Gas Revolution, Here Comes Kate (Puffin Easy-to-Read), Baseball in the American League Central Division (Inside Major League Baseball (Hardcover)), The Principles of Physical Law: Foundations of a Theory of Physics, The Oil Industry Production, Transportation Resources, Refining Marketing,
