

## Doras Eggs

Dora the hen is proud of her first eggs and wants to invite all her farmyard friends over to admire them. But Penny Pig is too busy with her wriggling piglets, and Daisy Dog doesn't have time because she's playing with her cute puppies. In fact, the more animals Dora visits, the more boring her eggs seem compared to what they have.

So she goes back to her nest, and suddenly - CRACK! - Dora is in for a big surprise!
