

Dream Beyond The Paradigms

Nikola Justice a 36,000 year old teacher from the 10th planet travels to earth to find crystals and to plant in humanity minds outrageous concepts. He is known as Nikola the Enlightened One, a God and his teachings are simple first you have to acknowledge that you are the great intelligence and your body is an extension of that intelligence. He met Dr. Borovsky who is employed by the French government, he was very intrigued by Nikola knowledge and introduced him to his superiors and they knew he would be a great improvement to the research of controlling humanity. He meets Alyssa who would soon be the love of his life. He also discovers his friend Chi Chi hitched a ride to earth. Nikola realizes that the French government will not take no for an answer to achieve control, Nikola and Alyssa are targeted for assassination. Nikola moves them to America where they now reside in California and teaches the Law of Attraction and astrology ending poverty in California and quickly spreads across the U.S., Alyssa is with child and Elites over the globe were after Nikola. They found another way to eliminate him so they summon Lord Uran. He used the earths satellite (Moon) as a receiver to monitor earth so he knew why they were summoning him, he told them that in thirteen years he will be at his strongest and will come to earth and finish his mission of finally enslaving humanity. The Elites knew that it was Lord Uran that brought the technology to earth many decades ago but no one had the knowledge, what the Elites did not know is that Lord Uran work with Nikolas father but because his hunger for power Nikolas father banished Lord Uran to Mars where his face is engraved.
