

Dreamland

When Caitlin first meets Rogerson Biscoe, he seems to be everything she wants him to be. Hes handsome, sensitive, and more than a bit mysterious. And before long, Rogerson has cast a spell over Caitlin. A spell that keeps her in a dreamland from which she cant seem to break free-even when the dreams turn into nightmares. Beautifully crafted, with a vivid plot and sharply drawn characters, this is a powerful and intensely compelling story of a young girl struggling to break free of an abusive relationship. Dreamland is the story of many contemporary teen relationships. Compelling reading. (School Library Journal, starred review)
