

Cow Who Wouldnt Come Down (Orchard Paperbacks)

THE COW WHO WOULDNT COME DOWN received two starred reviews (PW and SLJ) and was selected as an SLJ Best Book of the Year, a Bulletin Blue Ribbon winner, and received other impressive distinctions. Miss Rosemary knows that her cow, Gertrude, has a mind of her own. But when Gertrude takes up a new hobby, Miss Rosemary is faced with a problem: how do you milk a flying cow? First Miss Rosemary tries to lure Gertrude down with a fresh bale of alfalfa, then she tries to catch the cow with a fishing rod, next she tries to rope Gertrude with a lasso. Nothing works until Miss Rosemary has a brilliant idea. She makes a new cow, -Matilda, out of fabric and stuffing. When Gertrude sees she has been replaced, she decides to return to earth. Once there she finds a new hobby--driving the tractor.
