

## Hoppy Passover! (AV2 Fiction Readalong)

Violet and Simon, two small bunnies, are excited about Passover. They help set out the Seder plate, they taste that first bite of Matzoh (and a little bit of horseradish), search for the Afikomen, and most importantly...they ask lots of questions! Linda Glaser's simple, cozy story is just right for children first learning about this holiday. Daniel Howarth's charming paintings show a happy family passing on their traditions.
