

## Royal Pains and Angels in the Outhouse

In Hills Brook County, every boy dreams of playing baseball on the Royals with the amazing Donnie Roberts...well, almost every boy. Tyler Hendricks and his friends have other plans. A new team, the Angels, needs players. The task of finding these players falls in the most incapable hands. Errors are made, and the Angels become laden with the most unwanted players from tryouts. To make matters worse, their star coach trades himself to the Royals! Facing bullies, sisters, fastballs, and each other, the Angels must unite if they want to avoid one stinky season. Luckily they have a secret weapon up their...um, never mind. Sometimes fair is foul. From the ball field to the outhouse, this is epic baseball at its finest...even when it does go off the base path. Play ball!
