

Empowerment and Integration Through the Goddess: Volume 1

Empowerment and Integration of the Goddess is perhaps the most profound and informative book written on the subject of the Divine Feminine and how women and men can integrate the Goddess energies into self and the world. Since early in Earth's history, abuse, denial, and ignorance of the Divine Feminine has led to the enormous patriarchal attitudes that pervade mass consciousness and even Spiritual literature. This book provides one of the most in-depth studies of this issue ever written; from the Divine Mother, Archangels and inner plane Ascended Masters perspective! Absolute must reading for all who tread a Spiritual path! Collectively, we are shifting out of polarity consciousness and choosing empowered, balanced lives. This book braids polarity into oneness, reveals the disparity of heart/mind, internal/external, compassion/will, experience/knowledge, love/power, and assists us across the bridge of transition into the return of full consciousness. You will discover: How the imbalance began, What Goddess energy really is, How to balance Feminine and Masculine, Why experiencing the Heart is vital, Manifestation through The Goddess, Feeling into Physical Ascension, Meditations/attunements to activate the Divine Feminine, What a balanced Master is, and How to Balance Love, Wisdom and Power
