

Snakes Up Close!: (Level 2) (Amer Museum of Nat History Easy Readers)

Snakes are super! They can do amazing things, like shed their entire skin or open their mouths so wide that they can swallow food that's even bigger than their head. Go close-up and watch cobras, coachwhips, constrictors, rattlesnakes, sea kraits, sidewinders, and more in action-slithering, sliding, swimming, and sometimes even moving through the air! A biography on the last page introduces expert David Kizirian, the herpetologist at the American Museum of Natural History who vetted the book. **FREE ACTIVITIES & PUZZLES ONLINE** AT: <http://www.sterlingpublishing.com/kids/sterlingeventkits>
