

Farmer Duck

By books end, young readers will flap for joy right along with the endearing web-footed heroes. - PUBLISHERS WEEKLY (starred review)Farmer Duck isnt your average duck. This duck cooks and cleans, tends the fields, and cares for the other animals on the farm - all because the owner of the farm is too lazy to do these things himself. But when Farmer Duck finally collapses from exhaustion, the farmyard animals come to the rescue with a simple but heroic plan. Martin Waddells uplifting modern fable, imbued with Helen Oxenburys trademark humor, is truly a read-aloud classic.
