

Jesus, an Obedient Son

The bond of the universe, the chain that holds it together, the one active unity, the harmony of things, is the devotion of the Son to the Father. It is the life of the universe. Jesus An Obedient Son For many years, best-selling author Michael Phillips assumed he clearly understood the life of Jesus. Then came a crisis in his spiritual pilgrimage when circumstances forced him to open the Book of Life in a new way and delve more deeply into the fundamental why of Jesus Life. The result is a fresh understanding of the essence of the foundation of spirituality: the raw reality of the gospel. No frills. No excess baggage. No trite little phrases learned in Sunday school or youth group. He discovers a key that gives validity to an entire life's purpose and perspective as a Christian for right now. That thing is OBEDIENCE.
