

Giant Pandas (Nature Watch)

With full-color, breathtaking photos and easy-to-read texts, each book in this series describes the life cycle of a plant or animal. Including a special note for adults to help reading be an interactive experience, these titles are especially useful for preschools, reading hours, Chapter One programs, primary classrooms, and upper-elementary reluctant readers. Supports the national science education standards Unifying Concepts and Processes: Systems, Order, and Organization; Unifying Concepts and Processes: Constancy, Change, and Measurement; Unifying Concepts and Processes: Form and Function; Science as Inquiry; and Life Science as outlined by the National Academics of Science and endorsed by the National Science Teachers Association.
