

Ken the Farmer and His Friend Herbie the Talking Goat

Ken the farmer was trying to start a goat farm, so he drove down the road to a goat farm, where he had seen a bunch of goats in the field before. He purchases a goat named Herbie from the owner, Crane. They go down into the field and they catch Herbie. They lead him to the truck and they put him in. Crane hopes Ken enjoys Herbie. Ken takes Herbie home and while giving him water, Herbie speaks to Ken to much surprise.
