

Say Cheese - And Die Screaming! (Goosebumps Horrorland #8)

Its a whole new ride from master of horror and bestselling author R.L. Stine--with a story so fiendish that it cant be contained to just one book!A picture is worth a thousand screams--if its taken with an evil camera that has a nasty vision of the future. Julies future doesnt look pretty. And neither does anyone elses after theyre caught in her lens!Things start looking up when Julie gets to HorrorLand. That is, until she starts falling down--into the Tunnel of Screams. A giant spider attack really bugs Julie and makes her suspect the park isnt all fun.
