

## Great White Shark (Animals Under Threat)

What makes a great white shark warm-bodied, but not warm-blooded? How many teeth does a great white shark have? What are denticles? Are great white sharks more dangerous to people? Or, are people more dangerous to the great white shark? In *Great White Shark*, you will learn what is fact and what is fiction where the great white is concerned. Find out what it usually eats. Learn why it sometimes bites people, yet does not always kill the person it bites. Will the great white shark survive the dangers in its habitat, including fishing vessels and tourists?
