

Homo Futuris and World of the Future (Books about the Main Things)

This edition is one of eight books of the series Booksaboutthe MainThings issued under the motto The Way of Pursuit of Excellence. The Way of Pursuit is a concept that permeates the whole of human life. This path is ordained from above. Absolute is the God, the Supreme Harmony, The Excellence. The book refers to the global problems of today and the future of the planet. What awaits us at the bottom of the abyssofconsumption? How to preserve humanism, the humans and the Humankind? Is emergence of the superman possible and what will be his abilities? How the scientists, the visionaries and the futurists see the world of the future? What will be the world of corporations? The book invites the reader to thoughtful reflection on these important questions of life.
