

## Horse Diaries #4: Maestro Petra (Horse Diaries series)

Vienna, Austria, 1938 Maestro Petra is a world-famous Lipizzaner stallion. He has spent years in the Spanish Riding School, training to perform the complex airs above the ground that only Lipizzaner can accomplish. But when World War II breaks out in Europe, he learns to think less about performing and more about survival. Here is Maestro Petras story . . . in his own words. From the Trade Paperback edition.
