

Horse Mad Summer (Horse Mad Series)

Join horse-crazy Ashleigh and her new horse, Honey, for their latest adventure. Ashleigh Miller has just moved to the town of Shady Creek with her family. The best thing about leaving the city has been getting her new horse, Honey, and making a new best friend, Becky. But Ashleigh really misses the friends she left behind in the city, especially her other best friend, Jenna. When Ashleigh finds out that Jenna is coming to spend the summer with her for a horse mad holiday, it sounds like the best news ever. She can't wait for her two best friends to meet. But when Jenna arrives, she doesn't get along with Becky. Ashleigh feels caught in the middle. Will the three girls be able to get past their differences and have the horse-crazy holiday that Ashleigh was hoping for? Find out what happens to Ashleigh, Becky and Jenna in their first horse mad summer together.

About the Horse Mad series: When horses are at the heart of a series, it's pretty much guaranteed that every book will also feature fun, adventure and friendship. This series follows Ashleigh, an Australian girl, who's finally about to get her own horse. But she has to move from the city to the country and leave her friends and life behind.
