

How Does It Make You Feel?: Why Emotion Wins The Battle of Brands

How Does It Make You Feel? Why Emotion Wins The Battle of Brands is about the wisdom of feeling—the ability to create emotional connections with customers. It's the story of how brands use emotional connections to create customer loyalty. It explores both the mystique and experience of brands. It shows how brands with a higher purpose—those that find meaning in how they help to improve lives—build bigger profits not through altruism but rather through the clearly defined contribution they make to the world at large. Citing examples, this book shows how to be a leading brand, as well as a leader of brands. It elaborates on what to do and what to avoid in brand creation and brand maintenance. It tells the stories of great brands big and small, with insights on how those brands achieved their success.
