

## Burton and Spekes Source of the Nile Quest (Great Journeys Across Earth)

A blend of history, geography and culture, this series looks at the some of the greatest expeditions ever undertaken. These books offer a thrilling adventure through unknown worlds, looking at landforms, world geography, culture and history. It provides a cross-curricular approach to draw in readers usually reluctant to tackle particular subject areas. It includes high-interest books with strong human interest and an adventure story narrative. It includes primary source material and lots of non-fiction features, such as maps and fact-boxes.
