

Do you know that rejection is not happening to you alone? At least one point of time, every single human being feels rejection, experiences rejection and fights his own battle in the heart to overcome it. In this book, I will share some really simple and interesting ways to handle rejection without adding so much of hard work. As you go through each chapter, you will feel that rejection is actually normal but the way you have pursued it is only big. Just start thinking rejection as nothing so that you will enjoy your life better than before. To make you feel rejection is 'Nothing' here I dedicate this book to each and every one of you.
