

# I Am A Network Marketer!: Ojijos Network Marketing Guide (Ojijos Books) (Volume 12)

In a 2008 edition of SUCCESS magazine, business magnates Donald Trump (The Trump Organization) and Robert Kiyosaki (Rich Dad Poor Dad) boldly sang the praises of Network Marketing, a method of marketing this book explains in a clear and detailed manner. Excerpt: When you join a networking marketing company, you become a distributor and are compensated not only for sales you personally generate, but also for the sales of others you recruit, creating a downline of distributors and a hierarchy of multiple levels of compensation. Sound interesting? Pick this book up and see what has Donald Trump and Robert Kiyosaki changing the way they do their business.
