

IEC 61061-3-1 Ed. 1.0 b:1998, Non-impregnated densified laminated wood for electrical purposes - Part 3: Specifications for individual materials - Sheet 1: Sheets produced from beech veneer

Specifies the requirements for individual types of sheets of non-impregnated densified laminated wood produced from beech veneer defined in IEC 61061-1. This title may contain less than 24 pages of technical content.
