

Bruised Hearts: How To Stop Hurting To Trust Again

Tell me what youve gone through and Im sure I can tell you why you are having certain struggles and pains in your life today. Tell me the worst youve had to experience and I will tell you why youre still not over it. Life tragedies not only leave scars that last a lifetime but a bruised heart in its aftermath. Although many if not all of lifes bruises have healed on the outer surface of your body they are not gone. They have all settled deep within your hearts core issuing blow after blow leading one to experience loss, heartbreak, grief, humiliation, rejection, tragedy and pain thats never ending upon a heart thats badly bruised. Your untimely outburst is a testament to the bruised heart you carry that has yet to heal. Are you tired of hurting and forgetting? Are you ready to get to the bottom of why past pains come back? Bruised Heart is the reason but it does not have to be. True healing takes place from the inside out, starting with ones heart. Ive dealt with my share of life bruises an have overcome them all. Now if I can heal my bruised heart, so can you!
