

Her Father & Mine

Her Father and Mine Letitia Blount Seventeen year old Sorboni Andrews reveals the hatred she has for her fathers X-wife. Shed witnessed the unending torture this woman inflicted on her poor mother. Maternal guidance is strong, and like most children, she sides with her mother. When Sorboni turns ten, she discovers she has a half-sister. Now, seven years later, Sorboni decides she wants to meet Aaliyah Lancaster. Already, there is drama and animosity between them. Their mothers have a turbulent past. Even so, something drives Sorboni to meet Aaliyah. She needs to hear her side of the story. Will Sorboni keep the drama going into the next generation, or will Aaliyahs truth change Sorbonis heart?
