

Little Louie the Baby Bloomer

When the best-selling *Leo the Late Bloomer* was first published over twenty years ago, late bloomers everywhere cheered the story of a little tiger who grew in his own good time, in his own good way. Now new and old fans of *Leo* alike will cheer the arrival of *Little Louie* in the long-awaited sequel to *Leo the Late Bloomer*. This delightfully, deceptively simple tale, by the same team that brought us *Leo*, introduces *Little Louie*, *Leo's* baby brother. *Louie* is an irrepressible, irresistible little tiger; his only problem, at least according to *Leo*, is that he can't do anything right. How *Leo* learns patience and acceptance will warm the hearts of all brothers and sisters, and make this tale of sibling frustration and love a treasure for years to come.
