

More Ant and Bee

This version is for Kindle Fire only. More Ant and Bee is another of Angela Banner's alphabet books from Ant and Bee, and Kind Dog. In this picture book about learning the alphabet, readers are introduced to 4-letter words. The beauty of these simple stories is that they are designed for an older sibling or parent to teach their child how to read. Using word recognition techniques, the Ant and Bee stories provide an alternative to phonics learning. Ant & Bee are true classics of British Literature and were first published over 40 years ago.
