

Soul Snatcher

While most girls could only dream of being a princess, Alexandra was born into that world she did not wish to be a part of. Her only escape is a clearing where she meets a handsome young elf. With the elf's help, the princess is introduced to an enchanted world she dreams of belonging in, but will her dream ever come true? Will the wizard she encounters on her life journey destroy everything she holds dear as good and evil collide? Only time will tell.
