

## Irving and Muktuk: Two Bad Bears (Irving & Muktuk Story)

Every year the little town of Yellowtooth celebrates the New Year with a Blueberry MuVin Festival. The festival is fun for all until the year Irving and Muktuk, muVin stealers of the worst kind, show up to crash the party. The bad bears are foiled by OVicer Bunny, but they show up again the next year, and the next, and the next. How will OVicer Bunny keep the bears away for good?
