

Italia 2010 (English and Italian Edition)

The Italia 2010 calendar once again offers the best in a virtual trip to Italy. Each month offers another wondrous image of this amazing country. The Italia calendar is designed to celebrate Italy and the Italian lifestyle. Thus the pictures are not limited to one region or area of this remarkable place. From the South in Sicily to the North in Larga de Garda, each month offers something to cherish. Italia has been designed and photographed exclusively by Robert Kaufman for the past 24 years. His goal is to capture those special places that lovers of Italy know and seek out. While there are always images and calendars of typical tourist spots, this calendar offers images that are the essence of Italy. The 2010 calendar has photographs from the Island of Elba as well as a remarkable scene in Siena, whether you want to see landscapes or a street vender in Umbria you will not go wrong. Italia has both American holidays and Italian holidays. It is in both English and Italian and includes many of the saints days. This full color wall calendar offers 13 new and exciting photographs from around the country. Despite the economy and the high cost of traveling to Italy for only \$13.99 you can take a trip all year long. Italia customers have been purchasing the calendar for years and many customers give copies to their family, friends, and business associates. No matter who gets the calendar they are all in agreement that each month brings them the joy they have when they are in Italy. There is lots room in the grids to write in important dates and appointments. Find out why so many Italian Americans and Italiaphiles have been enjoying this calendar for over 20 years.
