

Italia 2012 calendar (English and Italian Edition)

The Italia 2012 calendar is a 12 inch by 12 inch full color wall calendar photographed and published by award winning photographer Robert Kaufman. Since its inception Italia has been created to celebrate Italy and the Italian lifestyle. Each year Kaufman photographs images throughout Italy to capture the essence of this beautiful land and its people. Italia offers everyone a virtual tour of Italy all year long. Every month has a different and exciting image. The 2012 Italia includes photographs from Bologna, Bellagio, Verona, Abruzzo, Sicily and more. Whether it is a beach scene in Lido di Camaiore or a view of the piazza and magnificent church in Orvieto each image will make you long for Italy. Unlike other Italy calendars Kaufman does not limit himself to the tried and true pictures of famous buildings and monuments. Rather he tries to recreate the passion and joy he feels when he is in Italy. The calendar is in both English and Italian and includes holidays from both North America and Italy. It is printed on the highest quality paper and has a lamination cover. Each year the third page includes a bonus image which is not to be missed. There is lots of room in the grid so dates and important events can be easily recorded. For \$13.99 you can experience Italy all year long or you can share it with family and friends. Italia is purchased year after year by many Italian Americans and Italiaphiles. The calendar is so popular that people purchase a dozen at a time so they will have enough copies to make it through the holidays. They give it to their family, friends, doctors, hair dressers, bosses and more. It seems everyone wants to enjoy this visual treat all year long. All the images from this and past years are available as signed original prints.
