

Its About Time, Jesse Bear: And Other Rhymes

For Jesse Bear, days are full of playing in puddles, building with boxes, making mud pies...There's certainly not time to lie around in bed! Of course, even a lively young bear sometimes just has to rest up and take his medicine. And bedtime always comes around again -- after one more story! Nancy White Carlstrom's lilted verse and Bruce Degen's exuberant illustrations combine in a happy book that young children will love just as much as the two previous Jesse Bear books.
