

I am a Monkey

I am a monkey Author: Rachel Hevesi
Illustrations: Liz Tyson
A baby capuchin monkey is happy learning about life in the forest when something terrible happens... This beautifully illustrated book follows the little monkey when he is sold into the pet trade and goes on a long journey, until he eventually arrives at a sanctuary where he can once again have monkey friends. An important, charming and very moving story that children will respond to and all of us should read. Stephen Fry, author and actor.
