

Good Job, Oliver!

Irresistible bunnies, a mother-son bond, and a sweet can-do story make this picture book a classic crowd pleaser. When little Oliver Bunny enters the Strawberry Contest, the big bunnies just laugh at him. Little bunnies grow little berries, they tease. But with his mother's encouragement, Oliver is determined to win. He plants his strawberry patch far away from the big bunnies patch and hopes for the best. Then -- STOMP! STOMP! STOMP! -- the berry-loving BEARS arrive! And only little Oliver bunny thinks of a way to save his beautiful strawberries, save the day, and win the strawberry contest. Suddenly size isn't important anymore -- except when it comes to a giant Mother Bunny hug and a big slice of strawberry pie. . . .
