

Hamburger Heaven

Pinky Pigs clarinet has met with an unfortunate accident. Lucky for Pinky she works at Hamburger Heaven: she can work hard and save up for a new one. But the customers are growing tired of the same old menu - cheeseburgers - and Pinky might soon lose her job due to a drop in sales. So she springs into action, devising a menu in which all the customers can choose any tasty topping for their cheeseburgers. Hedgehog loves the Snailburger Supreme and Skunk thinks the Stinkbug Burgers a dream. Pinky, the innovative young porcine heroine of this charming rhymed tale, is sure to serve up lots and lots of laughs.
