

## Writers in the Kitchen: Childrens Book Authors Share Memories of Their Favorite Recipes

Emily Arnold McCully, Jamie Lee Curtis, James Howe, Patricia Lee Gauch, Trina Schart Hyman, and Eve Bunting are just a few of the writers cooking up a storm in this mouth-watering collection. Here are nearly two hundred recipes from over one hundred fifty writers, including appetizers, entrees, and desserts. But this is much more than a recipe book. Even when they cook, writers love to tell stories. Each delicious recipe is accompanied by an equally delicious anecdote. Barry Moser remembers his childhood in Chattanooga and offers a recipe for Greens; Jane Yolen recalls the days when she made applesauce with her grandmother in Virginia; and Jerry Spinelli tells the humorous story behind Thelmas Chocolate Cake. Heres to good food and good reading!
