

Laptoon

An intentionally set fire at the zoo, orphaned and alone, Laptoons life changes forever. Forced aboard a ship heading into a disastrous storm, swimming for his life in the middle of the ocean. Fate, or is it fate, leads him to a remote island, action and adventure, supernatural forces, the battle for his life, and family and friends all come together for this juvenal elephant, as he learns about who he is and where he comes from. A fun read.
