

Leo, el Retono Tardío = Leo the Late Bloomer (Spanish Edition)

Leo couldn't do anything right. He couldn't read. He couldn't write. He couldn't draw. When Leo's father asks what's the matter with Leo, Leo's mother explains that he's simply a late bloomer. In his own good time, Leo does read, he does write, and he does draw. Reassuring for late bloomers, this book is illustrated with beguiling pictures.--Saturday Review. Full color.
