

Apple-Y Every After (Princess School)

After years lost at sea, trapped by a curse, Snow Whites father is back on shore. Snow is overjoyed, but the dwarves are wary--and its soon apparent that the sopping sire hasnt washed off the curse completely. He has no idea who Snow White is! Snow and her friends will do anything to help her father remember the past, even if it means sneaking into the place that Snow fears most--the enchanted castle where her stepmother Malodora keeps the dreaded magic mirror.
