

## Lewis and Clark in Their Own Words (Eyewitness to History)

The journey of Meriwether Lewis and William Clark across the newly acquired Louisiana Territory from 1804 to 1806 was truly extraordinary. Its best explained using the journals of these two explorers. In this book, primary source materials were carefully chosen to highlight the most interesting and exciting parts of the adventure. Maps, sidebars, and fact boxes highlight many of the exploits of the Corps of Discovery.
