

Lift Stick and Learn Farm Animals

Lift, Stick & Learn is a new series of sticker books that are both entertaining and informative. Clear photography is enhanced by bright backgrounds, and the simple text helps children learn about a wide range of subjects as they have fun completing the pages with stickers. Six sticker sheets, containing more than 50 stickers, are bound into the center of each book. Printed on tear-resistant paper, the stickers are all a good size, making them easy for young hands to manipulate. Bright silhouettes help children to work out where each sticker should go. Close-up pictures down the side of each spread encourage children to look carefully at the animals.
