

## Second Chance: The Slayer Chronicles, Book 2

Its time for Joss McMillan to prove himself as a Slayer. He failed to kill the vampire Vladimir Tod, but now hes getting a second chance to make things right. He is in New York City, sent by the Slayer Society to hunt down a serial-killing vampire. Joss will lead his Slayer team and stop the murderer. But all is not as it appears. When the team discovers that there is more than one suspect on the killing rampage, Joss must use all his skill to save the innocent people of New York City. Josss status as a Slayer - and his very life - depend on it. Second Chance can be listened to alongside The Chronicles of Vladimir Tod or entirely on their own. This second installment gives fans even more insight into the nightmares that drive Joss the Slayer.
