

Searching For Kailee: The journals of Sebastian Black

Stars have no shine, the moon has no glow,
The sun has no warmth. It all began the moment I let you go. Life has no purpose, Joy has no reason, Happiness has no meaning and love feels dark, damp and cold. You are my reason to smile you are my reason for life, you are the reason I can be great, and my reason for hope. Through you I see the reason to follow a dream, through your eyes I see the things I need to do, to make even your dreams come true, I must try to reach mine, to prove you can reach yours too. Follow the pages of a forgotten journal as Sebastian Black does everything in his power to locate the child he lost, in order to protect her from the past he lived.
