

## Little Foam Friends: Duck

Each of the books in the new Little Foam Friends series will delight babies and parents alike! Ladybug and Duck--the first two books in this series--feature charming illustrations and simple text. When closed, the books can stand up on their own, so kids can play with them like toys! The chunky foam pages are perfect for little hands to grab and play with. Ladybug presents a day in the life of a little ladybug. Duck introduces a little duck at play in the pond. The books are so small and light, you'll want to take them everywhere. Grab a Little Foam Friend and feel the difference foam makes!
