

Little Rabbits First Time Book (Little Rabbit Books)

Tick-tock, its 8 o'clock. Wake up, Little Rabbits! Its time for breakfast. Rise and shine! White Rabbit, Brown Rabbit, and Black and White Rabbit cant waste any time this morning. Their good friend Gray Rabbit is coming to visit and theres plenty to do! Will the Little Rabbits have time to clean the house, do the shopping, and make a special surprise dinner all before Gray Rabbit arrives? Young children will enjoy moving the hands on the clock on every colorful spread as they learn to associate the time of day with each of the Little Rabbits activities. The Little Rabbits busy schedule - getting up, having breakfast, and going shopping - is reassuringly familiar to young children and gently introduces the concept of time into their world. Alan Bakers lively art includes dozens of brightly colored everyday objects for children to point to and talk about with their parents. On each spread, clear instructions explain how to move the clock hands to match the time shown on both traditional and digital clock faces, while simple questions help parents reinforce newly learned skills, and build confidence in every child.
