

Close Reading: 11-14 Support Edition

Close Reading 11-14 Support Edition uses the same extracts from the novels in Close Reading 11-14 (0340 813091) but with different questions, extra definitions and line references, making this title more accessible. It can be used with specific students, or within a bi-level class. The book has specific links with Knowledge About Language (by the same authors) but can also be used independently of that title, either as a stand-alone classroom textbook or a resource for individual pupils needing interpretation practice.
