

McElligots Pool (Classic Seuss)

Imagination runs wild in this Caldecott Honor-winning tale featuring Dr. Seuss's inimitable voice and hysterical illustrations. The first Seuss title to feature full-color art on every other page, this adventurous picture book tells of Marco—who first imagined an extraordinary parade in And to Think That I Saw It on Mulberry Street—as he daydreams of all the possibilities that await him while he fishes in McElligots Pool. Optimistic and exciting, this tale is the perfect bait, and readers young and old will be hooked on this fish-tastic favorite.
