

The Lily Pond (Mildred L. Batchelder Honor Books)

A Mildred L. Batchelder Honor Book and an ALA-ALSC Notable Childrens Book, *The Lily Pond* continues the story of two Jewish sisters who left Austria during WWII/Holocaust and found refuge in Sweden. A year after Stephe Steiner and her younger sister, Nellie, left Nazi-occupied Vienna, Stephe has finally adapted to life on the rugged Swedish island where she now lives. But more change awaits Stephe: her foster parents have allowed her to enroll in school on the mainland, in Goteberg. Stephe is eager to go. Not only will she be pursuing her studies, she'll be living in a cultured city again under the same roof as Sven, the son of the lodgers who rented her foster parents cottage for the summer. Five years her senior, Sven dazzles Stephe with his charm, his talk of equality, and his anti-Hitler sentiments. Stephe can't help herself from falling in love. As she navigates a sea of new emotions, she also grapples with what it means to be beholden to others, with her constant worry about what her parents are enduring back in Vienna, and with the menacing spread of Nazi ideology, even in Sweden. In these troubled times, her true friends, Stephe discovers, are the ones she least expected. From the Hardcover edition.
